Page

# 1. Call to Order

Per the Governor's Extended Proclamation 20-28 and in response to the COVID-19 Pandemic, Jefferson County PUD is no longer providing an in-person room for meetings of the BOC. All meetings will be held remotely via Zoom until otherwise informed by the Governor. Participant audio will be muted upon entry. Please unmute at the appropriate time to speak. If you are calling in, use \**6 to mute and unmute and \*9 to raise a hand to request to speak.* 

# 2. Agenda Review

# 3. Public Comment

The public comment period is for any items not specifically listed on the current Agenda or for items listed on the Consent Agenda. The Chair may place time limits on public comments to allow the meeting to be conducted in an efficient and orderly manner. **(15 min)** 

# 4. Consent Agenda

All matters listed below on the Consent Agenda are considered under one motion and will be enacted by one motion. There will be no separate discussion on those items. If discussion is desired, that item will be removed from the Consent Agenda and will be considered separately.

#### **4.3 FINANCIAL REPORT:** Agenda Report – Written Off Accounts 02-19-21. A Written Off Accounts Motion.

4.3 CALENDAR.

PUD Calendar Feb. 16, 2021.

# END OF CONSENT AGENDA.

# 5. <u>MANAGER AND STAFF REPORTS</u>:

- Operations Director Scott Bancroft gave a report on tree trimming and vegetation management.
- Customer Service Director Jean Hall responded to a question regarding low-income eligibility.

**5.1 CAB REPORT:** CAB Chair Jessica Dillon gave a CAB report. Next meeting is March 8, 2021.

## 6. <u>OLD BUSINESS:</u>

**6.1 Resolution for Leak Adjustment Policy.** Customer Service Director Jean Hall gave a report. Commissioners requested a report on the number of leaks brought to the PUD's attention on the quantity and amount of water that spills and what that translate monetarily.

**MOTION:** Commissioner Kenneth Collins made a motion to accept Resolution for Leak Adjustment Policy as written. Commissioner Jeff Randall seconded the motion. Motion carried unanimously.

# 7. <u>NEW BUSINESS</u>:

**7.1 Water Reserves Report:** Finance Director Mike Bailey gave a report. No public comment.

Page **3** of **6** 

Jefferson County PUD Board of Commissioners February 16, 2021 Regular Meeting Draft Minutes **MOTION:** Commissioner Kenneth Collins made a motion to approve the resolution of the Public Utility District No. 1 of Jefferson County, Washington ("the PUD"), directing the Jefferson County Treasurer to Transfer Funds and Close Certain Accounts. Commissioner Jeff Randall seconded the motion. Motion carried unanimously.

Another resolution will be bought back to the commissioners to authorize the PUD to pay off the debt of 1.2 million dollars and ratifying the recommendation of staff of the allocation of the excess reserves that are going back to the general fund which get allocated 94% to electric and 6% to water. This is just a policy. When this is brought back to the commissioners Mike Bailey will have the recommendations on the payoff plus the allocations of those current reserves.

This resolution directs the treasurer to transfer roughly \$3 million dollars out of restrictive funds into unrestrictive cash reserves and secondly the Finance Director will get together with board counsel and look at the process of possibly paying off some higher interest loans. All three commissioners were in consensus with this process.

## **Public Comment:**

• Question: Doesn't the interest get paid up front on a loan like that? Response: No. The interest is made either annually or semi-annually, The interest is not paid up front. It is all with the debt payments that are made.

**7.2 LUD Tutorial:** Engineering Director Samantha Harper gave a presentation on a traditional LUD system. There was considerable discussion. Details can be heard on the audio recording at <u>www.jeffpud.org</u>.

**Public Comment:** There should be some evaluation or understanding of how you go through the process of determining what is the feasibility of a broadband type of LUD before you go all the way through the process.

## 8. <u>COMMISSIONER REPORTS:</u>

## **Commissioner Jeff Randell:**

#### 5. MANAGER AND STAFF REPORTS:

**5.1 Operations Report**. Director Scott Bancroft gave a report. Details can be heard on audio recording at <u>www.jeffpud.org</u>.

**Public Comment**: Liked this presentation and the last presentation. Appreciation given for great job on tree work and the eight-inch rule.

- **5.2 Finance and Audit Update.** Finance Director Mike Bailey gave a report. Jackson Thornton Accounting Firm has completed the field work. There will be one more review. Report will be presented to the BOC in April. PUD has renewed the contract with Jackson Thornton Accounting Firm.
- **5.3 Rates and Charges.** General Manager Kevin Streett gave a report. Next step is to have a public meeting where the only topic is rates. The final report will not come out until the public meeting takes places. Commissioner Kenneth Collins requested a that a line

Page 3 of 7

Jefferson County PUD Board of Commissioners March 2, 2021 Regular Meeting Draft Minutes on the bill for both water and electricity be added that shows the percentage that is going for capital improvement. People need to know that the system needs to be maintained and what it takes to maintain the system.

No public comment.

**5.4 ICG Update:** General Manager Kevin Streett gave an update. There was considerable discussion.

#### 6. OLD BUSINESS:

**6.1 ILA with Port of Port Townsend.** General Manager Kevin Streett gave a report. The two exhibits of the ILA (Interlocal Agreement) with the Port of Port Townsend were given to the commissioners for their review.

**MOTION:** Commissioner Kenneth Collins made a motion that the Jefferson County Public Utility District No. 1 Board of Commissioners approve and authorize the General Manager to sign the Interlocal Agreement between Jefferson County PUD No. 1 and the Port of Port Townsend. Commissioner Jeff Randall seconded the motion. Motion carried unanimously.

**Public Comment:** In favor of the agreement. Admired as a citizen the PUD's ability to run water to Glen Cove and provide infrastructure for jobs there. Talking to each other might get Wi-Fi to the Port in Quilcene too. This is the kind of stuff the PUD should be doing.

#### 7. <u>NEW BUSINESS</u>:

#### 7.1 Middlepoint Broadband LUD Update: Removed from Agenda.

**7.2 Citizen Advisory Board Candidates, District 1.** Commissioner Jeff Randall gave a report. He received two applications. Kellen Lynch was selected to be the District 1 representative to the CAB.

**MOTION:** Commissioner Jeff Randall made a motion that the Jefferson County Public Utility District No. 1 Board of Commissioners appoint Kellen Lynch to the Citizen Advisory Board. Commissioner Kenneth Collins seconded the motion. Motion carried unanimously.

Public Comment: Impressed with candidate's qualifications.

**7.3 Manager Goals.** Commissioner Dan Toepper gave some background information on how the goals were established and expressed appreciation to the staff, PUD Consultant Don

Page 4 of 7

Jefferson County PUD Board of Commissioners March 2, 2021 Regular Meeting Draft Minutes McDaniel and General Counsel Joel Paisner for their assistance in gathering information and data to finalize the goals. The document will form the basis at the end of the year for the General Manager's review of 2021 performance.

Commissioner Dan Toepper brought up the subject of a COLA (Cost of Living Adjustment) for the General Manager.

**MOTION:** Commissioner Kenneth Collins made a motion to approve a 4% cost of living increase for the General Manager of the Jefferson County Public Utility District No. 1 retroactive as of February 1, 2021. Commissioner Jeff Randall seconded the motion. Motion carried unanimously.

**MOTION:** Commissioner Jeff Randall made motion to accept the proposed list of goals for 2021 for the General Manager and his staff. Commissioner Jeff Randall seconded the motion. Motion carried unanimously.

**7.4 PUD Truck Surplus Request.** Operations Director Scott Bancroft gave a report. Staff was seeking approval to surplus the PUD's 2012 Dodge Ram 2200 4x4 singleman bucket truck.

**MOTION:** Commissioner Jeff Randall made a motion to surplus the PUD's 2012 Dodge Ram 4400 4x4 singleman bucket truck. Commissioner Kenneth Collins seconded the motion. Motion carried unanimously.

**7.5 Risk and Resiliency Assessment and Emergency Response Plan:** Engineering Director Samantha Harper gave a report. The PUD is required to do a Risk and Resiliency Assessment on the water by June 30, 2021 and then follow that up with its Emergency Response Plan update on December 30, 2021.

**MOTION:** Commissioner Jeff Randall made a motion to approve the General Manager to sign the contract for Tetra Tech for the Risk and Resiliency Assessment and Emergency Response Plan. Commissioner Kenneth Collins seconded the motion. Motion carried unanimously.

Commissioner Dan Toepper reported for the record and in full disclosure that he was employed by Tetra Tech fifteen or twenty years ago as an hourly union equipment/foreman. He did not have any financial interest or personal tie to Tetra Tech, or any biases and he was not involved with the RFP selection process.

# AGENDA REPORT

DATE: May 18, 2021

TO: Board of Commissioners

FROM: Mike Bailey, Finance Director/District Auditor

**RE:** Write-off of delinquent accounts from active accounts receivable

**RECOMMENDATION:** Approve Motion

**SUMMARY:** Per Write-Off of Uncollectable Accounts Policy passed September 2017, the Board of Commissioners agreed to review and approve for write off inactive account balances over 90 days in arrears that had been given 30 days' notice that their account will be referred to a collection agency.

**BACKGROUND:** These inactive accounts are recorded in the Active Accounts Receivable Data Base and need to be transferred to the Uncollectible Data Base in the Customer Information System. The process of writing off does not "erase" the debt unless the debt has been discharged through a bankruptcy court. The PUD's staff has attempted to collect payment on these accounts. A collection agency is better equipped to pursue collection now that these accounts have disconnected from utility service with the PUD and are over 90 days in arrears.

**ANALYSIS/FINDINGS:** There are 16 inactive accounts in the Active Accounts Receivable Data Base who owe the PUD \$5,687.82 for utility services and who have received notice over 30 days ago that their account will be referred to a collection agency.

**FISCAL IMPACT:** Bad Debt Expense has already been charged in anticipation of having accounts who would fail to pay their final bill for utility services. On the PUD's Balance Sheet, Line 20. Accounts Receivable-Sales of Utility Services has been netted by an estimated Reserve for Uncollectible Accounts. To remedy the debt, these inactive accounts will pay the collection agency for the amount owed to the PUD plus a fee for the agency's professional

 Public Utility District No. 1 of Jefferson County is an Equal Opportunity Provider Employer

services. Any amounts received on the written off amount, will be deposited into the PUD's Depository Bank Account and the Reserve for Uncollectible Accounts adjusted. No revenue or expense accounts are affected by this write off.

**RECOMMENDATION:** Transfer the 16 inactive accounts owing \$5,687.82 from the Active Accounts Receivable Data Base to the Uncollectible Accounts Data Base and authorize Evergreen Financial Services to pursue collection efforts allowed by law.

**ATTACHMENT:** The Summary of Write-offs of Uncollectible Accounts Receivable provides an analysis of the number and amounts owed and signature of approval by the Secretary of the Board of Commissioners.

**Board of Commissioners** 

Jeff Randall, District 1 Kenneth Collins, District 2 Dan Toepper, District 3

Kevin Streett, General Manager

#### Write-Offs of Uncollectible Accounts Receivable

On May 18, 2021 the following summary of inactive customer accounts with a past due balance of greater than \$50.00 and in excess of 90 days were referred to and provided a 30-day written notice by a collection agency. Furthermore, all amounts were deemed uncollectible by the Finance Director/District Auditor regardless of the amount past due. For accounting and financial reporting purposes, write-offs of uncollectible receivables are made against the allowance for bad debt account once approved by the Board. The following accounts are requested to be written off as uncollectible:

| Uncollectible Amount<br>Range | Number of<br>Accounts | Write-Off<br>Amount            |  |  |
|-------------------------------|-----------------------|--------------------------------|--|--|
| Up to \$50                    | 3                     | \$109.09                       |  |  |
| \$51 - \$100                  | 0                     | \$ -                           |  |  |
| \$101 - \$200                 | 5                     | \$880.01                       |  |  |
| \$201 - \$300                 | 0                     | \$-                            |  |  |
| Over \$300                    | 8                     | \$4,698.72<br><b>\$5,687.8</b> |  |  |
| TOTAL                         | 16                    | 2                              |  |  |

Approval, Board of Commissioners

# Board of Commissioners Meeting

Presented by: Sergey Tarasov, Project Manager Paul Quinn, Project Consultant

May 18, 2021

- Recap
- Proposed rates
- Next steps
- Questions / discussion

# • Presented findings to Board and public over 8 meetings through April 2021

- » Revenue requirement scenarios
- » Cost-of-service & phase-in alternatives
- » Rate design
- Staff met with the Board on May 4<sup>th</sup> to discuss electric rates
  - » Board directed staff to smooth out increases in 2022
- Today's focus
  - » Updated revenue requirement, cost-of-service, and rate design

- Cost-of-service identified inequities between classes of service
- Phase-in strategy was developed to gradually move classes towards cost-ofservice

## PROPOSED

# PUBLIC UTILITY DISTRICT NO. 1 OF JEFFERSON COUNTY

#### **RESOLUTION NO. 2021-00XX**

A RESOLUTION of the Board of Commissioners of Public Utility District No. I of Jefferson County, Washington ("The PUD"), revising, updating and approving certain changes to the PUD electric rates.

WHEREAS, the PUD is responsible for maintaining and operating the electric network and related facilities in Jefferson County, Washington and to provide and furnish the residents of the district served by the PUD with electricity; and

WHEREAS, the Board of Commissioners and its staff have reviewed the electric rates most recently updated in Resolution No. 2018-001; and

WHEREAS, the PUD has reviewed its electric rates as part of an overall cost of service analysis overseen by staff and prepared by consultants at FCS Group beginning in April 2020; and

WHEREAS, Board of Commissioners has held a series of workshops and presentations from FCS Group as part of its cost of service study, including a July 13, 2020 discussion on goals and objectives, an August 18 and September 23, 020 presentation regarding revenue requirements, a November 10 and December 7, 2020 review of the results of the cost of service analysis, and a February 9, 2021 review of an initial rate design; and

WHEREAS, the Board of Commissioners of the PUD held public hearing on April 6, 2021 where it received comments and testimony from the public regarding proposed rates and charges for electric services, and it also received input from both staff and consultants; and

WHEREAS, the proposed rates are attached as Exhibit A to this resolution and will revise, amend and replace the electric rates set forth in Resolution No. 2018-01 as well as any subsequent changes; and

**WHEREAS**, the proposed electric rates in Exhibit A will help the PUD provide funds for ongoing maintenance, operations and improvements to its electric system, and allow

the PUD to furnish its customers with electric service in a reasonable, cost-efficient manner.

NOW, THEREFORE, BE IT RESOLVED, the Board of Commissioners of PUD No. 1 of Jefferson County hereby adopts the attached electric rate changes in Exhibit A, effective for all bills rendered on or after \_\_\_\_\_\_, 2021 with annual increases occurring \_\_\_\_\_\_, 2022, \_\_\_\_\_\_, 2023, and \_\_\_\_\_\_, 2024 subject to annual review by the Board of Commissioners of the PUD.

Dan Toepper, President

Kenneth Collins, Vice President

ATTEST:

Jeff Randall, Secretar

ADOPTED by the Commission of Public Utility District No. I of Jefferson County, Washington, at a regular open meeting held this \_\_\_\_ day of May 2021.

Dan Toepper, President

Kenneth Collins, Vice President

ATTEST:

Jeffrey Randall, Secretary

# **AGENDA REPORT**

DATE:May 18, 2021TO:Board of CommissionersFROM:Samantha Harper, P.E., Engineering DirectorRE:Port Hadlock SewerRECOMMENDATION:Discussion Only

#### SUMMARY: None.

**BACKGROUND:** Staff met with Jefferson County Public Works staff to open a discussion on the Port Hadlock sewer and the PUD involvement. Jefferson County Public Works staff would like to give a presentation at a Board of Commissioners meeting. The suggested meeting date was June 22, 2021.

#### ANALYSIS/FINDINGS: None

FISCAL IMPACT: None

**RECOMMENDATION:** Discussion only

**Attachments: None** 

# AGENDA REPORT

DATE:3/18/21TO:Board of CommissionersFROM:Will O'Donnell, Communications DirectorRE:EEI Fund Transfer from Whatcom PUD

**BACKGROUND:** The customer owners of Jefferson County have made great use of our Energy Efficiency Incentive Program funds over the last five years. The high number of incentive program projects completed has repeatedly exhausted our funding allotment before the end of the BPA rate period. Fortunately for us, our neighbor to the northeast, Whatcom PUD, is not always able to use all of its EEI allotment within a given rate period and has been willing to transfer remaining funding allotments to Jefferson PUD in prior years.

**ACTION:** Whatcom PUD and Jefferson PUD agree will request that BPA transfer ONE HUNDRED THOUSAND DOLLARS (\$100,000) of BPA's Energy Efficiency Incentive (EEI) program budget funds for Rate Period (FY 2020-2021), which were previously allocated to Whatcom PUD, to Jefferson PUD. This transfer does not involve any actual monetary payment by Whatcom PUD to Jefferson PUD, nor is Whatcom PUD obligated to make any payment to Jefferson PUD. Rather, it is a joint request to BPA to re-allocate a portion of the BPA EEI program budget funds allocated to Whatcom PUD for BPA Rate Period (FY 2020-2021) to Jefferson PUD.

**NEXT STEPS:** Whatcom PUD's commission will review the attached contract and resolution to transfer funding on May 25<sup>th</sup>. If they approve, we will bring a resolution and contract back to the commissioners of Jefferson PUD for approval and signatures at the next regular meeting.

**FISCAL IMPACT:** None for Jefferson PUD, but \$100,000 more in incentive funding for our customers.

**RECOMMENDATION:** None at this time. For information only.

# EXHIBIT A

# **BPA EEI BUDGET TRANSFERS**

This Exhibit A is attached to and by this reference incorporated into the Interlocal Agreement between Public Utility District No.1 of Whatcom County ("Whatcom PUD") and Public Utility District No.1 of Jefferson County ("Jefferson PUD") (collectively referred to as the "Parties").

# 1.0 Budget Transfer – BPA Rate Period (FY 2020-2021)

Subject to Bonneville Power Administration ("BPA") approval, Whatcom PUD and Jefferson PUD agree for each Party's respective BPA two year Rate Period (FY 2020-2021) as follows:

Whatcom PUD and Jefferson PUD agree to request that BPA transfer **ONE HUNDRED THOUSAND DOLLARS (\$100,000 )** of BPA's Energy Efficiency Incentive (EEI) program budget funds for Rate Period (FY 2020-2021), which were previously allocated to Whatcom PUD, to Jefferson PUD. This transfer does not involve any actual monetary payment by Whatcom PUD to Jefferson PUD, nor is Whatcom PUD obligated to make any payment to Jefferson PUD. Rather, it is a joint request to BPA to re-allocate a portion of the BPA EEI program budget funds allocated to Whatcom PUD for BPA Rate Period (FY 2020-2021) to Jefferson PUD.

# 2.0 Conditions on Transfer

For this specific transfer of BPA EEI program budget from Whatcom PUD to Jefferson PUD, there are no conditions on the transfer with the exception of BPA prior approval.

# 3.0 Amendments to Exhibit A

Should either Party request any future BPA EEI program budget transfers from the other Party and such Party agrees, then it shall be by amendment to this Exhibit A, pursuant to written agreement of the Parties.

**IN WITNESS WHEREOF**, the Parties have caused this EXHIBIT A to the AGREEMENT to be executed by their duly authorized representatives all as of the day and year written above.

PUBLIC UTILITY DISTRICT NO.1 OF WHATCOM COUNTY

ATTEST:

PUBLIC UTILITY DISTRICT NO.1 OF JEFFERSON COUNTY

Kevin Streett General Manager Date

ATTEST:

# INTERLOCAL AGREEMENT BETWEEN PUBLIC UTILITY DISTRICT NO.1 OF WHATCOM COUNTY AND PUBLIC UTILITY DISTRICT NO.1 OF JEFFERSON COUNTY

# FOR SHARING OF ELECTRIC SYSTEM RELATED SERVICES

THIS INTERLOCAL AGREEMENT (the "Agreement") is made this\_\_\_\_\_ day of May 2021, between Public Utility District No. 1 of Whatcom County, a Washington municipal corporation (hereinafter "Whatcom PUD"), and Public Utility District No.1 of Jefferson County, a Washington municipal corporation (hereinafter "Jefferson PUD"). Whatcom PUD and Jefferson PUD are jointly referred to herein as (the "Parties") and individually as ("Party").

**WHEREAS**, Whatcom PUD and Jefferson PUD are authorized to engage in the provision of electric energy supply and services to wholesale and retail customers; and

WHEREAS, Whatcom PUD and Jefferson PUD are authorized to construct and operate facilities necessary to generate, transmit, and/or distribute electric energy within their respective service areas; and

WHEREAS, the Parties have a common interest in sharing resources, when feasible, for the cost-effective delivery of electric energy related services to their respective customers; and

**WHEREAS**, the Parties are both power supply and transmission customers of the Bonneville Power Administration; and

WHEREAS, it is in the public interest for the Parties as public entities to work in a cooperative manner; and

WHEREAS, the Parties desire to enter into this Agreement under the terms and conditions of Chapter 39.34 RCW (entitled the Interlocal Cooperation Act);

**NOW, THEREFORE**, in consideration of the mutual covenants contained herein, Whatcom PUD and Jefferson PUD agree as follows:

#### 1.0 PURPOSE.

The purpose of this Agreement is to establish procedures whereby the Parties can combine, share, and use their respective skills and assets, thereby expediting their respective receipt and delivery of electric energy and related services to customers within their respective service areas. The cooperative efforts enabled by this Agreement are intended to reduce the cost of electric system planning, construction, and operation over what would otherwise be achieved if the Parties acted independently. Further, this Agreement enables a sharing of benefits available to each Party as a wholesale customer of the Bonneville Power Administration ("BPA").

## 2.0 DECISIONS.

All decisions under this Agreement shall be by consensus of the Parties, subject to the financial, technical, and legal limitations of both Parties. In the event that the Parties are unable to agree upon a means of undertaking any proposed action pursuant to this Agreement, then either Party shall have the unilateral right to reject such means, without contributing additional time or other resources to the further negotiation thereof.

## 3.0 GENERAL SCOPE OF SERVICES.

The services to be provided under this Agreement are limited in scope to the transfer from either

Party to the other of a portion of either Party's BPA conservation budget, also referred to as the EEI budget. Such budget is determined by BPA through a rate setting process and allocated among each of BPA's power supply customers for each two year BPA power rate period. The allocated budget is available to customers to reimburse them for a portion of the cost of qualifying conservation (i.e. energy efficiency) programs and projects customers implement.

## 3.1 EXHIBIT A – TRANSFERS

Any transfer of BPA conservation funds as agreed to by the Parties shall be as described on Exhibit A, attached hereto and incorporated herein by this reference. Any revision to the transfer amount and/or conditions on such transfers shall be by amendment to Exhibit A.

## 4.0 COMPENSATION FOR SERVICES.

For the scope of services described above, there is no compensation by either Party to the other.

## 5.0 TERM.

This Agreement shall commence as of the date entered in the above first paragraph of this Agreement and shall continue until **day 31 of the month of December 2023** unless either Party terminates this agreement by providing written notice to the other Party, not less than 30 days prior to the date such party desires the termination of the Agreement to become effective. Either Party may require that the terms and conditions of this Agreement be re-negotiated by providing written notice to the other Party, not less than 30 days prior to the date such party desires the modification to the Agreement to become effective. A notice of re-negotiation shall not be a notice of termination; however, nothing prevents a party from delivering both a notice of re-negotiation and a notice of termination.

If the Agreement is terminated, in accordance with the provisions of this section 5, then the Parties agree to negotiate in good faith to unwind the obligations entered into under this Agreement. If the Parties cannot agree to a resolution of the obligations entered into within ninety days of the termination date of this Agreement, then the Parties agree to submit to binding arbitration, as set forth in Section 9.7 below.

## 6.0 CONTACT PERSONS.

The following persons, referred to as Contact Person(s), are responsible for the administration of this Agreement for each Party and have the authority to execute Task Orders on behalf of their Party under this Agreement:

| For Whatcom PUD:   | General Manager |
|--------------------|-----------------|
| For Jefferson PUD: | General Manager |

or such other persons as may be specified from time to time in writing by either Party.

## 7.0 RELATIONSHIPS OF THE PARTIES, RELEASE AND INDEMNIFICATION.

The Parties agree that they are each independent public entities operating pursuant to the terms and conditions of this Agreement. No agent, employee, or representative of a Party to this Agreement shall be deemed to be an agent, employee, or representative of any other party for any purpose. To the extent permitted by law, each Party remains solely and entirely responsible for the acts of its respective staff performing services for the other Party under this Agreement.

- 7.1 *Release by Jefferson PUD*. To the extent permitted by law, Jefferson PUD hereby releases Whatcom PUD, its successors and assigns, Directors, Commissioners, officers, employees, agents, and representatives from any and all claims, losses, injuries, harm, liabilities, damages, costs, charges and expenses including all reasonable and necessary attorney's fees incurred in connection with Whatcom PUD and its employees' performance under this Agreement.
- 7.2 *Release by Whatcom PUD.* To the extent permitted by law, Whatcom PUD hereby releases Jefferson PUD, its successors and assigns, Directors, Commissioners, officers, employees, agents, and representatives from any and all claims, losses, injuries, harm, liabilities, damages, costs, charges and expenses including all reasonable and necessary attorney's fees incurred in connection with Jefferson PUD and its employees' performance under this Agreement.
- 7.3 *Indemnification*. Each Party, as an indemnitor, agrees to protect, defend, hold harmless, and indemnify each other Party from and against all third party claims, suits, and actions arising from the intentional or negligent acts or omissions of such indemnitor, its agents, or employees in the performance of this Agreement.

## 8.0 EXTENT OF AGREEMENT AND MODIFICATIONS.

This Agreement, together with the Exhibits and Addenda as may be added upon approval of both Parties, contains all of the terms and conditions agreed upon by the Parties. The Parties agree that there are no understandings, oral or otherwise, modifying or adding to this Agreement. No amendments, changes, or modification of this Agreement shall be valid or binding upon either Party unless such amendment, change, or modification be in writing and executed by both Parties.

### 9.0 MISCELLANEOUS PROVISIONS.

- 9.1 *No waiver*. The failure of either Party to insist upon or enforce strict performance by the other Party of any provision of this Agreement or to exercise any right under this Agreement shall not be construed as a waiver or relinquishment to any extent of such Party's right to assert or rely upon any such provision or right in that or any other instance; rather, the same shall be and remain in full force and effect.
- 9.2 *Applicable Law*. This Agreement shall be interpreted, construed, and enforced in accordance with the laws of the State of Washington, except to the extent such laws may be preempted by the laws of the United States of America.
- 9.3 *Governing Law and Venue:* The Parties agree that any dispute shall be governed by the laws of the State of Washington, and any proceeding in law or in equity shall be brought in Whatcom County, State of Washington, or such other place as both Parties may agree to in writing.
- 9.4 *Standards*. The Parties and the Parties' employees and agents will adhere to applicable professional and ethical standards and will perform all work in a manner consistent with generally accepted skill and care and prudent utility practice for the type of work undertaken.
- 9.5 *Neutral Authorship:* Each of the provisions of this Agreement has been reviewed and negotiated, and represents the combined work product of the Parties. No presumption or other rules of construction, which would interpret the provisions of this Agreement in favor of or against the party preparing the same, shall be applicable in connection with the construction or interpretation of any of the provisions of this Agreement.
- 9.6 *Entire Agreement*. This Agreement sets forth the entire Agreement and supersedes any and all prior Agreements of the Parties with respect to the subject matters hereof.
- 9.7 *Arbitration*: The Parties mutually covenant to work cooperatively to timely resolve any dispute that may arise between the Parties concerning this Agreement. However, if the Parties cannot mutually settle a dispute, the dispute or claim shall be submitted to binding arbitration. The Parties agree that the arbitration shall be governed by the rules and procedures outlined in RCW 7.04 *et.seq*. and the Whatcom County Mandatory Arbitration Rules, and that the Parties will jointly stipulate to an arbitrator. In the event that the

Parties are unable to agree to an arbitrator, the Parties agree that the Presiding Judge of Whatcom County Superior Court may appoint the arbitrator. The prevailing Party as determined by the arbitrator shall be entitled to reasonable attorneys' fees and costs.

9.8 *Notices:* All notices, demands, requests, consents, and approvals which may, or are required to be given to any party or any other party hereunder, shall be in writing and shall be deemed to have been duly given if delivered personally, sent by facsimile, sent by a nationally recognized overnight delivery service, or if deposited in the United States mail and sent by registered or certified mail, return receipt requested, postage paid to:

# AGENDA REPORT

DATE: May 18, 2021

TO: Board of Commissioners

FROM: Kevin Streett General Manager

RE: Approval for EDC funding

At the last BOC meeting on May 4, 2021, there was discussion regarding the funding for EDC as part of the IGC.

The IGC is looking at ways to support the EDC and the community with an agreement between the 4 entities of the IGC. This agreement was in the last meeting's packet on May 4, 2021.

Staff is seeking an approval through a motion to support this program for \$30,000/yr. for funding of this agreement.

## Economic Development Framework: Draft Outline Conversation Starter for ICG Discussion, May 20, 2021

#### INTRODUCTION AND PURPOSE

- Importance of the framework
- Framework's role in agency and community alignment
- How the framework drives progress
- Who needs to be at the table in partnership

#### SHARED VISION

- Vision and goals for us all/our region (e.g., "A resilient and sustainable regional economy that powers prosperity for all")
- What we want our community/region to look like in 10+ years

#### GUIDING PRINCIPLES

- Principles that underpin success and drive the shared vision (e.g, living wage jobs, support local businesses, triple bottom line)
- Reflecting our community's values in this work (e.g., equity, localism)

#### EXECUTIVE SUMMARY

#### THE FRAMEWORK

- Vision
- Priority/focus sectors (e.g., agriculture/food & forest, tourism, marine trades)
- Critical success factors (e.g., affordable housing & supply, enabling policies, broadband)
- Pressing external forces/megatrends (e.g., inequality, demographic change, globalization)
- How it all looks together (visual <u>very draft</u> example on page 2)

#### PRIORITIES AND ACTION STEPS

- What we do this year
- What we do in 3 years
- What we do the far future

#### HISTORICAL CONTEXT

- Where we have been and how we got here (including summary of previous economic development studies/analysis)
- Previous economic focus
- Associated consequences/benefits of previous efforts, direction and coordination

#### EXTERNAL FORCES AND TRENDS

• Global-scale forces that have and will influence our region

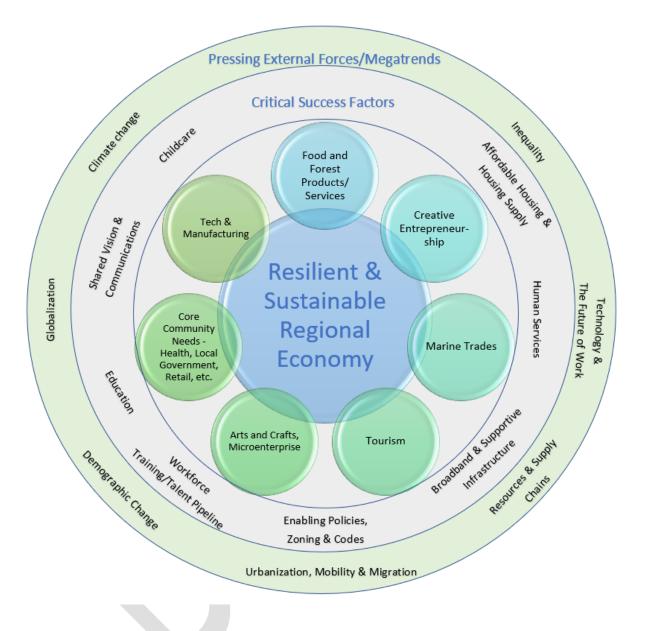

#### CRITICAL SUCCESS FACTORS

• Elements that are critical to our success

#### CONCLUSION

APPENDICES (if needed)

## **Draft Visual Concept**

11. TITLE/BRIEF DESCRIPTION OF WORK TO BE PERFORMED UNDER THIS AGREEMENT

#### AMENDMENT NO. 1: CONSTRUCTION ACTIVITIES ASSOCIATED WITH PUBLIC UTILITY DISTRICT NO. 1 OF JEFFERSON COUNTY'S PROPOSED FIBER OPTIC PROJECT AT OLYMPIA, SHELTON, POTLATCH, DUCKABUSH, QUILCENE, FAIRMONT, HAPPY VALLEY AND PORT ANGELES SUBSTATIONS

**Background:** Reimbursable Agreement No. 20TP-12112 (Agreement) between the Bonneville Power Administration (BPA) and Public Utility District No. 1 of Jefferson County (Jefferson) provided for BPA, at Jefferson's expense, to perform engineering, real property and environmental reviews of Jefferson's proposed fiber optic connection to facilities at Olympia, Shelton, Potlatch, Duckabush, Quilcene, Fairmont, Happy Valley and Port Angeles Substations (Project).

**Amendment No. 1:** This Amendment No. 1 (Amendment) to the Agreement provides for the break out of construction activities at each facility, division of responsibilities, ownership, operation and maintenance of installed materials, access privileges, environmental compliance obligations, and the additional funding required to complete this Project. Specific duties are defined in the attached Division of Responsibilities Statement.

This Amendment is between BPA and Jefferson. All references to "customer fiber" refer to the Jefferson leased fibers on BPA's Olympia-Port Angeles dark fiber route with splice points at the aforementioned facilities. This Amendment makes occasional reference to Public Utility District No. 1 of Mason County (Mason 1), Public Utility District No. 3 of Mason County (Mason 3) and Northwest Open Access Network (NoaNet) because Jefferson intends to sublease fiber optic cable to Mason 1, Mason 3 and NoaNet. Where this Amendment calls for BPA to perform work on or within Mason 1, Mason 3 or NoaNet facilities or property, such work is contingent on Jefferson first providing BPA with written permission from the facility or property owner to access and perform such work. During the performance of BPA work on Mason 1, Mason 3 and NoaNet property, Jefferson shall provide a Jefferson representative to accompany BPA personnel to the work site.

This Amendment is hereby incorporated and made a part of the original Agreement and is subject to all the provisions therein. All provisions of the original Agreement, unless expressly deleted, modified, or otherwise superseded in the Amendment shall continue to be binding on all parties hereto.

#### The following documents are attached to and become a part of this Amendment:

- Division of Responsibilities Statement, Amendment No. 1
- Financial Terms and Conditions Statement, Amendment No. 1 (FTC)

BPA and Jefferson hereby agree as follows:

### 1. DIVISION OF RESPONSIBILITIES

### (a) **BPA shall, at Jefferson's expense:**

- (1) At BPA's Olympia Substation:
  - (A) Provide a BPA representative to open Customer Vault(s) (CV(s)) as needed and to supervise splicing in any CV. The anticipated splicing will occur in AF 2CV1 SC1A.
  - (B) Perform necessary splicing to connect customer fiber to BPA optical fibers located in Bonneville Vault(s) (BV(s)). The anticipated splicing will occur in AF 2BV.
- (2) At BPA's Shelton Substation:
  - (A) Provide a BPA representative to open CV(s) as needed and to supervise splicing in any CV. The anticipated splicing will occur in RN 1CV1 and RN 1CV2.
  - (B) Perform necessary splicing to connect customer fiber to BPA optical fibers located in BV(s). The anticipated splicing will occur in BY 2BV and RN 1BV.
- (3) At BPA's Potlatch Substation:
  - (A) Provide a BPA representative to open CV(s) as needed and to supervise splicing in any CV. The anticipated splicing will occur in ASM 3CV. BPA will supply a 3M splice case and the cable connecting the two vaults.
  - (B) Review trenching routes to BV(s) so that cable can be installed, linking Jefferson/Mason 3's system with BPA's system. The trench will run from a fiber vault near Mason 3 S/N: 600-01 to ASM 3CV, approaching the wall of the vault at a right angle.
  - (C) Perform necessary splicing to connect customer fiber to BPA optical fibers located in BV(s). The anticipated splicing will occur in ASM 3CV.
- (4) At Mason 1's Duckabush Substation:
  - (A) BPA work at Mason 1's Duckabush Substation is contingent on Jefferson first providing BPA with Mason 1's written permission to access and perform work at Mason 1's Duckabush Substation. During the performance of BPA work

at Mason 1's Duckabush Substation, BPA personnel shall be accompanied by a Jefferson representative.

- (B) Provide a BPA representative to open CV(s) as needed and to supervise splicing in any CV. The anticipated splicing will occur in ASM 6CV.
- (C) Review trenching routes to BPA vaults (review assesses the route for adverse impacts to BPA equipment). Trenching routes will connect Jefferson/Mason 3's system to BPA's system. The trench will go from a fiber cabinet and vault to ASM6 CV.
- (D) Review cabinet and vault locations to prevent adverse impacts to BPA equipment.
- (E) Perform necessary splicing to connect customer fiber to BPA optical fibers located in BV(s). The anticipated splicing will occur in ASM 6 BV.
- (5) At Jefferson's Quilcene Substation:
  - (A) Provide a BPA representative to open CV(s) as needed and to supervise splicing in any CV. The anticipated splicing will occur in RN 358CV.
  - (B) Review trenching routes to BPA vaults to connect Jefferson's system to BPA's system.
  - (C) Perform necessary splicing to connect customer fiber to BPA optical fibers located in BV(s). The anticipated splicing will occur in RN 358BV. See Section 1(a)(9), Note Pertaining to Sections 1(a)(5)(C) and 1(a)(6)(B).
- (6) At BPA's Fairmont Substation:
  - (A) Provide a BPA representative to open BPA owned CVs as needed and to supervise splicing in any BPA owned CV. The anticipated splicing will occur in FAMT 1CV and BPA will provide a 3M splice case.
  - (B) Perform necessary splicing to connect customer fiber to BPA optical fibers located in BVs. The anticipated splicing will occur in ASM 9BV and EL 313RBV. See Section 1(a)(9), Note Pertaining to Sections 1(a)(5)(C) and 1(a)(6)(B).

- (7) At BPA's Happy Valley Substation:
  - (A) Provide a BPA representative to open CV(s) as needed and to supervise splicing in CV(s). Anticipated splicing will occur in HAPY 1CV and HAPY 2CV.
  - (B) Perform necessary splicing to connect customer fiber to BPA optical fibers located in BV(s). Anticipated splicing will occur in PY 100BV and ASM 10BV.
- (8) At BPA's Port Angeles Substation:
  - (A) Provide a BPA representative to open CV(s) as needed and to supervise splicing in CV(s). Anticipated splicing will occur in ASM 13CV.
  - (B) Perform necessary splicing to connect customer fiber to BPA optical fiber located in BV(s). Anticipated splicing will occur in PY 223BV.
  - (C) The Port Angeles-Happy Valley fiber section will be leased by Jefferson, but will not likely be used.
- (9) Note Pertaining to Sections 1(a)(5)(C) and 1(a)(6)(B). The splices described under Sections 1(a)(5)(C) and 1(a)(6)(B) may not be necessary because the required connections already exist or because they will not be used. If splices exist, Jefferson will only be charged for the time required to verify splicing. Jefferson will arrange for the use of an Optical Time Domain Reflectometer (OTDR) to verify and characterize the route. To save on field verification costs, the results will be shared with BPA and will help establish where work is needed. If connectivity questions still exist after the OTDR test, vaults will be opened and splices verified to ensure connectivity and reliability of service. The substations where splices likely already exist are Olympia, Shelton, Happy Valley, and Port Angeles Substations.

## (b) Jefferson shall, at Jefferson's expense:

- (1) At BPA's Olympia Substation:
  - (A) Obtain permission from NoaNet to connect inside NoaNet's fiber cabinet.
  - (B) Perform any necessary fiber splicing, with BPA supervision, inside of CV(s). The only anticipated splicing is in AF 2CV1 SC1A. See Section 1(b)(9), Note Pertaining to Section 1(b)(1)(B).

- (2) At BPA's Shelton Substation:
  - (A) Perform any necessary fiber splicing, with BPA supervision, inside of CV(s). The anticipated splicing will occur in RN 1CV1 and RN 1CV2.
  - (B) Connect fibers from NoaNet's portion of Mason 3's Mt. View Collocation Building to Mason 3's network equipment within the same building.
- (3) At BPA's Potlatch Substation:
  - (A) With BPA supervision, trench along pre-approved path to ASM3CV using trench detail laid out in DWG 255593 and 338269. Trench must conform to a minimum of HL-93 loading standards to accommodate heavy vehicle loading.
  - (B) With BPA supervision, install non-conductive fiber conduits in the trench using a 4" SCH 80 PVC pipe with two innerducts, bundling ducts together about every 2 meters. Metallic locate wire SHALL NOT BE USED on BPA property or rights of way. Follow detail provided in BPA DWG 255283, DWG 255593 and 338269. Conduit shall be oriented at approximate right angles to the vault walls, be terminated flush with the inside of the vaults, be grouted in place, and contain two pulling ropes in addition to the innerducts. Install fiber within the appropriate innerduct.
  - (C) With BPA supervision, provide and install Omni Marker Balls along the path of the new underground conduit. Omni Marker Balls shall be placed at the beginning, at the end, at every deflection point, and at 40' increments (or less) along path of underground conduit. Provide and install cable marker posts above each Omni Marker Ball. Detail is provided in BPA DWG 260147.
  - (D) Perform any necessary fiber splicing, with BPA supervision, inside of CV(s). The anticipated splicing will occur in ASM 3CV. BPA will supply a 3M splice case.
- (4) At Mason 3's Duckabush Substation:
  - (A) With BPA supervision, trench along pre-approved path to ASM6CV using trench detail laid out in DWG 255593 and 338269. The trench must conform to a minimum of HL-93 loading standards to accommodate heavy vehicle loading.

- (B) Provide BPA with an as-built drawing of the trench route referenced in 1(b)(4)(A).
- (C) With BPA supervision, install non-conductive fiber conduits in the trench, bundling ducts together about every 2 meters. Metallic locate wire SHALL NOT BE USED on BPA property or rights of way. Detail is provided in BPA DWG 255283, DWG 255593 and 338269. Conduit shall be oriented at approximate right angles to the vault walls, be terminated flush with the inside of the vaults, be grouted in place, and contain two pulling ropes in addition to the innerducts. Install fiber within the appropriate innerduct.
- (D) With BPA supervision, provide and install Omni Marker Balls along path of the new underground conduit. Omni Marker Balls shall be placed at the beginning, at the end, at every deflection point, and at 40' increments (or less) along path of underground conduit. Provide and install cable marker posts above each Omni Marker Ball. Detail is provided in BPA DWG 260147.
- With BPA supervision, install a vault and fiber cabinet on the south/southeast side of the existing QWEST fiber cabinet.
   Prior to installation/construction, Jefferson shall consult with BPA on the location of the fiber cabinet.
- (F) Perform any necessary fiber splicing, with BPA supervision, inside of CV(s). The anticipated splicing will occur in ASM6CV.
- (5) At Jefferson's Quilcene Substation:
  - (A) With BPA supervision, trench from the preexisting fiber cabinet along pre-approved path to RN358CV using trench detail laid out in DWG 255593 and 338269. The trench must conform to a minimum of HL-93 loading standards to accommodate heavy vehicle loading.
  - (B) With BPA supervision, install non-conductive fiber in the trench using a 4" SCH 80 PVC pipe with three 1 ¼" innerducts, bundling cables together about every 2 meters. Metallic locate wire SHALL NOT BE USED on BPA property or rights of way. Detail is provided in BPA DWG 255283, DWG 255593 and 338269. Conduit shall be oriented at approximate right angles to the vault walls, be terminated flush with the inside of the vaults, be grouted in place, and contain pulling ropes within each of the innerducts.

- (C) With BPA supervision, provide and install Omni Marker Balls along path of the new underground conduit. Omni Marker Balls shall be placed at the beginning, at the end, at every deflection point, and at 40' increments (or less) along path of underground conduit. Provide and install cable marker posts above each Omni Marker Ball. Detail is provided in BPA DWG 260147.
- (D) Perform any necessary fiber splicing, with BPA supervision, inside of CV(s). The anticipated splicing will occur in RN 358CV.
- (6) At BPA's Fairmount Substation:
  - (A) Perform any necessary fiber splicing, with BPA supervision, inside of CVs. The anticipated splicing will occur in FAMT 1CV and BPA will provide a 3M splice case.
  - (B) Perform all work and obtain all permits necessary to route fiber back up structure and over 101 to Jefferson land.
- (7) At BPA's Happy Valley Substation:
  - (A) Obtain permission from NoaNet to connect inside their fiber cabinet.
  - (B) Perform any necessary fiber splicing, with BPA supervision, inside of CV(s). Anticipated splicing will occur in HAPY 1CV and HAPY 2CV.
- (8) At BPA's Port Angeles Substation:
  - (A) Obtain permission from NoaNet to connect inside their fiber cabinet.
  - (B) Perform any necessary fiber splicing, with BPA supervision, inside of CV(s). Anticipated splicing will occur in ASM 13CV.
  - (C) The Port Angeles-Happy Valley fiber section will be leased by Jefferson, but will not likely be used.
- (9) Note Pertaining to Section 1(b)(1)(B). Some of the splices described under Section 1(b) may not be necessary because the required connections already exist or because they will not be used. If splices exist, Jefferson will only be charged for the time required to verify splicing. Jefferson will arrange for the use of an OTDR to verify and characterize the route. The results will be shared with BPA and will help establish where work needs to be performed to save on field verification costs. If connectivity questions still exist after the OTDR

test, vaults will be opened and splices verified to ensure connectivity and reliability of service. The substations where splices likely already exist are Olympia, Shelton, Happy Valley, and Port Angeles Substations.

### 2. OWNERSHIP, OPERATION AND MAINTENANCE

(a) BPA shall, at BPA's expense, own, operate and maintain the BV(s), CV(s), all of the fiber inside the BV(s), the conduit and fiber between the BV(s) and CV(s), the fiber that enters the CV(s) from the BV(s) all the way to the splice cases, and the splice cases themselves.

Locations where construction is anticipated:

- (1) Potlatch Substation: ASM3BV, ASM3CV, the conduit and fiber running between ASM3BV and ASM3CV, the fiber extending from the conduit in the CV up to the splice case, and the splice case itself.
- (2) Duckabush Substation: ASM6BV, ASM6CV, the conduit running between ASM6BV and ASM6CV, the fiber extending from the conduit in the CV up to the splice case, and the splice case itself.
- (3) Quilcene Substation: RN358BV, RN358CV, the conduit and fiber running between RN358BV and RN 358CV, the fiber extending from the conduit in the CV up to the splice case, and the splice case itself.
- (4) Fairmount Substation: FAMT1CV, the fiber extending from the conduit in the CV up to the splice case, and the splice case itself.
- (b) Jefferson shall, at Jefferson's expense, own, operate and maintain (or ensure that Jefferson's sublessee owns, operates and maintains to industry standards) the fiber and hardware from their external systems to the entrance of the CV(s), including conduit, trenches, fiber, Omni marker balls, and cable marker posts. Jefferson will also own, operate, and maintain (or ensure that Jefferson's sublessee owns, operates and maintains to industry standards) the fiber connecting to the BPA fiber leased by Jefferson that extends into the CV(s) from their external system, up to the splice case. If those splices/fiber routes already exist, Jefferson will, without the involvement of BPA, purchase, lease or enter into a written agreement with the current owner to allow for the operation and maintenance of the fiber from the splice case to Jefferson's system (or to the system of Jefferson's sublessee) and provide BPA with the terms of those agreements for archival purposes.

Locations where construction is anticipated and may impact Jefferson hardware or hardware owned Jefferson's sublesee:

(1) Potlatch Substation: the fiber extending from their external system into ASM3CV up to the splice case. (Mason 3).

- (2) Duckabush Substation: the fiber extending from their external system into ASM6CV up to the splice case. (Mason 3).
- (3) Quilcene Substation: the fiber extending from their external system into RN358CV up to the splice case. (Jefferson).
- (4) Fairmount Substation: the fiber extending from their external system into FAMT1CV up to the splice case. (Jefferson).

### 3. ACCESS

Jefferson grants BPA access to enter Jefferson's Quilcene Substation described under this Amendment at all reasonable times and in accordance with safety and security requirements in order to access the equipment installed by BPA under Section 1(a) above, as long as such equipment remains within Jefferson's facilities.

BPA grants Jefferson access to enter its facilities described under this Amendment at all reasonable times and in accordance with BPA's safety and security requirements currently in effect in order to access the equipment installed by Jefferson under Section 1(b) above, as long as such equipment remains within BPA's facilities.

## 4. **RELATED AGREEMENTS**

Fiber License Agreement, Contract No. 21TX-17092.

### 5. ENVIRONMENTAL COMPLIANCE

Upon execution of this Amendment, the parties may proceed with all preliminary engineering and project management work. The performance of all construction work under this Amendment is contingent on BPA's completion of its environmental review process under the National Environmental Policy Act (NEPA), if applicable, as BPA shall determine. After completion of this process BPA will decide whether to proceed with the construction work and, if so, whether modifications to such work should be made based on the NEPA review. BPA reserves the right to choose any alternatives considered in the NEPA process, including the no-action alternative, and nothing in this Amendment shall be construed as obligating BPA to proceed with construction work under this Amendment or to allow Jefferson to proceed with construction work under this Amendment before BPA has completed the NEPA review process and made a decision regarding how to proceed. If BPA decides that modifications to the construction work under this Amendment to be consistent with such modifications.

### 6. UNCONTROLLABLE FORCES

The parties shall not be in breach of their respective obligations to the extent the failure to fulfill any obligation is due to an Uncontrollable Force. "Uncontrollable Force" means an event beyond the reasonable control of, and without the fault or negligence of, the party claiming the Uncontrollable Force, that prevents that party from performing its contractual obligations under this Amendment and which, by exercise of that party's reasonable care, diligence and foresight, such party was unable to avoid. Uncontrollable Forces include, but are not limited to:

- (a) strikes or work stoppage;
- (b) floods, earthquakes, fire, or other natural disasters; terrorist acts; epidemics, pandemics and
- (c) final orders or injunctions issued by a court or regulatory body having competent subject matter jurisdiction which the party claiming the Uncontrollable Force, after diligent efforts, was unable to have stayed, suspended, or set aside pending review by a court of competent subject matter jurisdiction.

Neither the unavailability of funds or financing, nor conditions of national or local economies or markets shall be considered an Uncontrollable Force. The economic hardship of either party shall not constitute an Uncontrollable Force. Nothing contained in this provision shall be construed to require either party to settle any strike or labor dispute in which it may be involved.

If an Uncontrollable Force prevents a party from performing any of its obligations under this Amendment, such party shall: (1) immediately notify the other party of such Uncontrollable Force by any means practicable and confirm such notice in writing as soon as reasonably practicable; (2) use its best efforts to mitigate the effects of such Uncontrollable Force, remedy its inability to perform, and resume full performance of its obligation hereunder as soon as reasonably practicable; (3) keep the other party apprised of such efforts on an ongoing basis; and (4) provide written notice of the resumption of performance. Written notices sent under this section must comply with Section 7, Notices.

### 7. NOTICES

Any notice or other communication related to this Amendment shall be delivered in person, by email, First Class mail or overnight delivery service to the Technical or Administrative contact set forth above. Notices are effective on the date received.

### 8. LIMITATION OF LIABILITY

Neither party shall be liable to the other party for any lost or prospective profits or any special, punitive, exemplary, consequential, incidental or indirect losses or damages under this Amendment.

Jefferson is solely responsible to BPA for damage to United States (BPA) property caused by Jefferson, and its employees, contractors, and agents. Jefferson is also solely responsible for any claims arising out of negligent conduct by its employees, contractors, and agents performing the work described in this Amendment on or at United States-owned (BPA-owned) real property, facilities, or equipment. Any claim for personal injury, death, or property damage against BPA (the United States) must be made in accordance with the Federal Tort Claims Act, 28 U.S.C. §§ 1346(b), 1402(b), 2401(b), and ch. 171. Jefferson and its contractors must carry general liability insurance in the amount of at least \$1 million for all performance under this Amendment, and the policy must name the United States/BPA as an additional insured.

### 9. COVID-19 PANDEMIC

Based on the evolving situation with the COVID-19 pandemic, and following the issuance of orders and other guidance by governmental authorities and public health organizations calling for social distancing measures in BPA's service territory, BPA, on August 12, 2020, closed its facilities to nonessential employees and contractors and limited the resources available to perform certain types of work. BPA has now resumed construction work. The future availability of BPA employees and contractors to perform certain types of work under this Amendment may be subject to change based on BPA's future responses to the COVID-19 pandemic.

### **10. PROJECT SCHEDULE**

Work under this Amendment shall commence upon BPA's receipt of a signed Amendment and payment of the amount listed in the attached Financial Terms and Conditions Statement. The estimated timeframe for conducting the work under this Amendment is six months. BPA reserves the right to modify the project schedule by providing written notice to Jefferson of the schedule change.

#### 11. TERMINATION

This Amendment shall become effective upon execution by both parties and shall terminate upon full performance by both parties of their respective obligations as set forth herein, but in no event shall the term of this Amendment exceed five years from its effective date.

BPA's cost of performing the project at Jefferson's expense shall be the actual cost of doing the work specified in this Amendment, plus an overhead rate of 41%, representing the indirect costs of the project office plus the contractual support costs of contract negotiation, billing and accounting functions, and contract management.

Jefferson hereby agrees to advance \$35,000, the estimated project cost, to BPA based on the following payment schedule:

| Payment | Amount   | Date Due                                     |
|---------|----------|--|
| 1       | \$10,000 | Received July 28, 2020                       |
| 2       | \$ 5,000 | Additional funding received October 19, 2020 |
| 3       | \$20,000 | Upon execution of this Amendment             |

Payments made to BPA will be held in an account established for this Amendment. If BPA needs additional funds to complete the work at any time during performance of the project, BPA may request, in writing, for Jefferson to advance such additional funds to BPA for deposit in the account. Jefferson shall advance such additional funds within 30 days of BPA's written request, and BPA may temporarily stop work until Jefferson supplies the requested funds. If Jefferson does not advance such additional funds by the due date or, if at any time before completion of the project Jefferson elects to stop work under this Amendment, BPA has the right to cease all work and restore, as a cost to the project at Jefferson's expense, government facilities and/or records to their condition prior to the beginning of work under this Amendment.

Within a reasonable time after completion of the project, or if this Amendment terminates because BPA has decided not to proceed after completing its NEPA review, BPA shall make a full accounting to Jefferson showing the actual costs charged against the account. BPA shall either remit any unexpended balance in the account to Jefferson or bill for any costs in excess of the deposits in the account. Jefferson shall pay any excess costs within 30 days of the invoice date (due date).

Payments not received by the due date will accrue interest on the amount due beginning the first calendar day after the due date to the date paid, at an annual interest rate equal to the higher of i) the prime rate (as reported in the Wall Street Journal in the first issue published during the month in which payment by Jefferson is due) plus 4 percent; or ii) such prime rate multiplied by 1.5.

# AGENDA REPORT

| DATE: | May 18, 2021  |
|-------|---|
| TO:   | Board of Commissioners                                |
| FROM: | George Caan – WPUDA and Kevin Streett General Manager |
| RE:   | Bills signed by Governor                              |
|       |   |

Members (Commissioners, General Managers, members of the Telecom committee, members of the Government Relations and Communications Committees – please forward as appropriate),

Today we made history with the Governor signing legislation enabling PUDs to provide retail telecommunications service. The Governor signed two bills providing the new authority. Senate Bill (5383), which provides limited retail telecommunications authority for unserved areas only was signed this morning followed by House Bill 1336 that provides unrestricted retail telecommunications authority. The Governor did veto a section of HB 1336 which addressed the Growth Management Act, but the action does not affect the provision related to retail authority.

With the signing of both bills, which were amended to reduce any potential conflicts, they both become law with any conflicting provisions resolved by the act last filed in the office of the Secretary of State. HB 1336 was signed last so we expect that any conflicts will be resolved with deference to the provisions of HB 1336. These two bills will allow us to be a key part of the solution to serving the unserved and underserved and will also maximize our ability to receive federal and state funding to connect Washington citizens in a safe, reliable and affordable way.

Ph (360) 385-5800 Fx (360) 385-5945 310 Four Corners Road, Port Townsend, WA 98368 Public Utility District No. 1 of Jefferson County is an Equal Opportunity Provider Employer Seeking retail broadband authority for PUDs was a top priority for the Association. The success this session reflects hard work, determination, a compelling message, and a cohesive political strategy involving all our member PUDs. We were also fortunate to have a bill sponsor, Representative Drew Hansen, who was a true believer in the legislation and worked tirelessly to advance it.

This was a tremendous achievement that opens the door for PUDs to play a key role in ensuring access to broadband services in all areas of Washington State. We can all take pride in this significant victory which reflects our long history of rising to meet the needs of our citizens.

George
