

Jefferson County PUD
RATE SCHEDULE
Retail Broadband Services
Effective August 19, 2021

- A. The rates listed on this schedule are available to residents and businesses who are within reach to connect to the Jefferson PUD fiber network. The PUD reserves the right, at its sole option to discontinue or modify services and prices listed in this rate schedule at any time.
- B. All retail broadband and related services provided by the PUD are subject to the terms and conditions in the PUD's Retail Telecommunications Policies, as may be amended from time-to-time.
- C. The amount of any tax levied by any governmental entity, in accordance with the laws of the State of Washington, will be added to the charges shown in this rate schedule.
- D. Rates listed in all tables below are monthly recurring charges unless otherwise noted.
- E. The rates for payment-related issues such as late payment fees, charges for bad checks, etc. are the same as applied for residential electric service.
- F. The PUD may enter into contractual arrangements with a customer for any services not included on this rate sheet. The PUD must get Board approval for any contract greater than \$1,000 in monthly recurring fees.
- G. The PUD offers a low-income discount for residential connections where somebody in a household meets the FCC's definition of those eligible for a discount. That definition currently includes anybody that is part of the Supplemental Nutrition Assistance Program (SNAP), Medicaid, Federal Public Housing Assistance, Supplemental Security Income, the Veterans and Survivors Pension Benefit, or certain Tribal Programs. The FCC may periodically change this definition. Residential customers must request the discount and receiving the discount requires that the PUD approve eligibility.
- H. General Service Areas refer to sections within the PUD's service territory where aid-to-construction costs may apply in determining connection fees per new service drop.
- I. Special Project Areas refer to designated zones within the PUD's service territory where grant-or other funding sources allow for the possible waiver of construction fee for new service drops of 1000 feet or less. Special Project Areas will be posted on the PUD's website when designated.
