

JEFFERSON COUNTY PUBLIC UTILITY DISTRICT NO. 1

RESOLUTION NO. 2025-018

A RESOLUTION of the Board of Commissioners of Public Utility District no. 1 of Jefferson County, Washington, supporting equitable access to renewable energy through community solar projects and authorizing the district to pass through contributions from the WSU energy program administrator to qualifying projects.

WHEREAS, the Board of Commissioners of Public Utility District No. 1 of Jefferson County (“the PUD”) is committed to expanding equitable access to the benefits of renewable energy for its customer-owners; and

WHEREAS, community solar projects provide an opportunity for broader participation in renewable energy generation, including for customers who may not otherwise be able to install solar facilities on their own property; and

WHEREAS, the Washington State University (WSU) Energy Program has established an administrative framework for contributions in support of community solar projects; and

WHEREAS, the PUD desires to support qualifying community solar projects within its service territory by serving as a pass-through for such contributions from the WSU Energy Program administrator.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Public Utility District No. 1 of Jefferson County, Washington, as follows:

1. The PUD supports equitable access to renewable energy through the development and implementation of community solar projects.
2. The PUD authorizes the acceptance and pass-through of contributions from the WSU Energy Program administrator to qualifying community solar projects consistent with applicable law and program requirements.
3. The General Manager, or their designee, is authorized to take such actions as may be necessary to implement this resolution.

ADOPTED by the Board of Commissioners of Public Utility District No. 1 of Jefferson County, Washington, at an open public meeting held this 2nd of September 2025.
